

The background is a warm, golden-yellow gradient. At the top and bottom, there are green pine branches with long needles. Interspersed among the branches are several spherical ornaments: some are gold and some are silver. In the bottom corners, there are two white gift boxes. The box on the left is tied with a bright yellow ribbon, and the box on the right is tied with a bright red ribbon. Scattered around the gift boxes and branches are small, colorful candies in red, yellow, and white. On the right side, there are two candy canes: one with yellow and white stripes, and another with red and white stripes. The overall theme is a cheerful and festive New Year celebration.
